EDUCATION

BE in Computer Engineering
FR CRCE | Mumbai University

09/2023 - Present   *First Year: 9.05 cgpa*

H.S.C
S.V.P College | Mumbai

06/2021 - 05/2023   *HSC -78.83%,MHTCET-97.57 %ile*

S.S.C
Rustomjee International School | Mumbai

06/2019 - 03/2021   *84.40%*

PROJECTS

MedSafe
- Developed **MedSafe**, a health platform connecting hospitals, doctors, and patients to enhance healthcare delivery and interaction. Collaborated closely with medical professionals to address real-world challenges.

Sansthaein Aur Samvidhan
- ***Sansthaein Aur Samvidhan*** is a gamified education platform that makes learning interactive with games, rewards, and personalized paths. Initially focusing on Part 5 and Part 6 of the Indian Constitution, it aims to make complex concepts engaging and will expand to other subjects in the future.

EventCrafter
- **EventCrafter** is an event management platform where users can plan events, invite participants, assign roles, and handle logistics. It include features like task tracking, budget management, AI bot to help with events and a group chat feature.

Taskly
- **Taskly** is a task management and to-do list application for teams and individuals. It includes features for project creation, task assignment, deadlines, and real-time progress tracking.

TeachNest
- **TeachNest** is a comprehensive learning platform that allows instructors to create courses, manage content, and track student progress. Students can enroll in courses, take quizzes and The platform can also support discussion forums for collaborative learning.

SKILLS

FireBase Python SQLITE Django C++

GIT HTML CSS JavaScript HTMX

ACHIEVEMENTS

CodeUtsava 8.0 : Secured first place in the CodeUtsava 8.0 hackathon hosted by NIT Raipur. Our team demonstrated exceptional web development skills, innovative solutions, and effective collaboration, earning us top honors in a highly competitive environment.

Code Odyssey 3.0 - Second Runner-Up: Awarded second runner-up position in the Code Odyssey 3.0 hackathon organized by KJ Somaiya College Of Engineering.

Webathon 2024 Winners : Secured first place in the Webathon hosted by M.H. Saboo Siddik College of Engineering on August 8, 2024. Our project demonstrated exceptional web development skills and creative solutions, earning us top honors in a competitive environment.

SIH 2024 Finalist : Recognized as a finalist in the Smart India Hackathon (SIH) 2024. Our team showcased innovative solutions , securing a spot among the top contenders in this national-level competition.

OTHER SKILLS

Project Management WEB3 CAD

CERTIFICATES

Backend development in python, Django, SQLite
